Directors' Report

Board of Directors

Executive Board Members:

Mr. Sebastiaan Pieter de Buck (Appointed 29 November 2020)

Ms. Margot Martine Fransen (Appointed 29 November 2020)

Ms. Johanna Wilhelmiina Hyttinen (Appointed 29 November 2020)

Non-Executive Board Members:

Herman Ulko Post (Appointed 10 March 2021), Audit Committee chair

Joost André Folkers (Appointed 01 September 2021), Audit Committee member

Unilever Finance Netherlands B.V. has one tier Board of Directors. The Board consists of 3 Executive Directors and 2 Non-Executive Directors. The Executive Directors are charged with the day-to-day management of the company. The Non-Executive Directors are charged with the governance.

Review of activities

Unilever Finance Netherlands B.V. (also referred to as the "Company") is one of the entities within the "Unilever Group" (also referred to as "Unilever"). The company was incorporated as a result of the demerger of Unilever NV on 26 November 2020. At the time of the demerger, the Company received euro bonds having a notional amount of € 10,850m including the rights, obligations and liabilities in respect of the bonds and all intra-group receivables which resulted from the on-lending of the funds received on the bonds.

The obligations and liabilities in respect of the bonds and intra-group receivables have initially been valued at fair value. The difference between the carrying value of the assets and liabilities received and their fair value has been recognised as a notional capital contribution and is therefore recorded as share premium.

In this context, Unilever Group companies are companies in which Unilever PLC, either directly or indirectly, has control either through a majority of the voting rights or the right to exercise a controlling influence or to obtain the majority of the benefits and be exposed to the majority of the risks. Unilever PLC, a company incorporated in England and Wales, is the "Ultimate Parent Company" of the Unilever Group.

The purpose of the Company is to provide funding to the Unilever Group primarily through Unilever Finance International AG, a wholly owned subsidiary of Unilever PLC. The Company will raise funds by issuing debt in the form of long-term bonds and short-term money market instruments to provide funding to the Unilever Group.

Bonds issued by the Company are traded on the regulated market of the Amsterdam Stock Exchange.

All debt is passed on to Unilever Finance International AG on identical terms except for a 4-basis point mark up on the relevant bond coupon rate or relevant short term money market instrument's yield to maturity, which limits the interest rate, currency risk and liquidity risk to the Company.

The company is an issuer in Unilever's debt issuance programme, including the EMTN programme for issuing bonds, a US commercial paper (USCP) programme and a multi-currency EURO commercial

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

paper (ECP) programme. Bonds and USCP issuance under these programmes by the company is guaranteed on joint and several basis by Unilever PLC and Unilever United States Inc. ECP issuance by the company is guaranteed by Unilever PLC.

2022 developments, results and Cash flows during the year

During the year, the company raised €2,650 million funds via bond issuance comprising of:

- €650 million maturing in 2031 @1.25%; and €500 million maturing in 2026 @0.75% issued in the month of February 2022
- €850 million maturing in 2034 @2.25%; and €650 million maturing in 2028 @1.75% issued in the month of May 2022.

Also, the company raised short term debt of approximately US\$5,653 million through US Dollars denominated and €3,595 million through Euro denominated commercial papers.

The company repaid the 0.50% €750 million bond and all commercial papers (US\$7,148 million €3,595 million) on the scheduled maturity dates.

The bonds and commercial paper proceeds were on lent to Unilever Finance International AG at mark up of 4 basis points over relevant paper's yield to maturity. All loans were repaid by Unilever Finance International AG on the scheduled maturity dates.

The financial income of the Company amounted to € 21.3 million (2021: € 20.1 million). The financial expense of the Company amounted € 19.4 million (2021: € 20.1 million). The profit for the period ended 31 December 2022 amounted to € 1.3 million (2021: € 0.2 million loss).

The company has Net Assets of €22.2 million (2021: €20.9 million) and net current assets of €10.3 million (2021: €0.6 million).

Solvency and liquidity ratios do not give rise to any concerns with respect to the going concern of the company in the current year. The Company is highly dependent on the performance of the Unilever Group. Unilever Group has assessed the impact climate change risk and concluded in its consolidated financial statements that there is no material impact. Further operations in Russia are operating at limited scale in constrained manner. There is no impact on the going concern of the company due to climate change risk and ongoing conflict between Russia and Ukraine.

The Company does not employ any staff. This is not expected to change in 2023.

The financing activities are fully dependent on developments and funding needs within the Unilever group. No significant change in the business of the Company has taken place during the period or is expected to in the immediately foreseeable future.

The rendering of services by the service companies of the Unilever Group to the Company will be continued as deemed necessary.

Risk management and internal controls

Within the Unilever Group a single overall control framework is in place, which is designed to manage rather than eliminate the risk of failure to achieve business objectives and only provides reasonable and not absolute assurance against material misstatement or loss. In certain aspects where group internal control framework of does not explicitly cover internal controls relevant to the financial

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

statements of the company, and an entity level risk management and internal controls framework has been designed. Management of the Company is responsible for the application of, adherence to and safeguarding of internal systems for risk management.

The policy of the Company is to provide funding at fixed rates to the Unilever Group, primarily through Unilever Finance International AG on identical terms except for a 4-basis point mark up on the relevant bond coupon rate or relevant short term money market instrument's yield to maturity, which limits the Interest rate and liquidity risk to the Company.

The Directors consider the risk appetite of the Company to be low on account of the back-to-back nature of the Company's financing activities with the Unilever Group. Further reference is made to note 11 on page 22 where the risks are discussed.

The Board is of the opinion that the risk management and internal control framework of Unilever Group has operated as intended in year 2022. In year 2022 there have not been any (fraud) risks or circumstances with a significant impact on the company. The control framework is continuously monitored and adjusted where needed.

Code of Conduct

The company adopts Unilever Group Code of Business Principles that sets non-negotiable standards of expected behaviour from anyone conducting business on behalf of the company. Assurance of compliance with Code of Business Principles is obtained on an annual basis from anyone acting on behalf of the company.

Fraud Risk Assessment

During year 2022, nothing has come to the attention of the board to suggest any material misstatement with respect to suspected or actual fraud which override the Internal controls and/ or non-compliance with laws and regulations.

Sustainable development

The Directors of the Company are responsible for the preparation of the financial statements, including considering whether the implications from climate-related risks have been appropriately accounted for and disclosed. Sustainable development is rooted in the General Business Principles of all Unilever companies. For a detailed report on the sustainability and safety performance of Unilever Group, please refer to the Sustainability report that can be found on www.unilever.com/sustainable-living.

Research and Development

The Company does not perform research and development activities.

Information Systems Security

Since operations are increasingly dependent on IT systems, Unilever Group has a set of IT security standards to monitor and protect systems and information. Management of the Company is responsible for application of, adherence to and safeguarding of internal systems for risk management.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

Diversity & Inclusion

The Company operates under the diversity and inclusion practices and policies of the Unilever Group. Unilever group is committed to contribute to a fairer, more socially inclusive world. Unilever aims to achieve an equitable and inclusive culture by eliminating any bias and discrimination in our practices and policies. Unilever believes that a completely inclusive place to work will make us a stronger, better business. Unilever takes a holistic approach making sure people feel welcome and are treated fairly at Unilever, regardless of their race, gender, gender identity, age, sexual orientation, religion or experience. The company employs no staff but only has a management board, hence practical application of these practices and policies is limited.

The Directors confirm that the financial statements provide a true and fair view of Company's position and performance. The management report provides a true and fair view and the significant risks and uncertainties to which the Company is exposed have been described.

Subsequent Events

The Board have evaluated all events and transactions subsequent to 31 December 2022 through 8 May 2023, the date these financial statements were issued. Following events or transactions were identified that require recognition or disclosure in these financial statements.

Debt Issuance

On 20 February 2023, the company issued €500 million 3.25% notes maturing in 2031 and €500 million 3.5% notes maturing in 2035.

During Q1, 2023 company has issued and repaid commercial papers in normal course of business. Net outstanding commercial papers as on 31st March 2023 is € 295 million.

The proceeds from these issuances were on lent to Unilever Finance International AG on identical terms except for a 4-basis point mark up on the relevant notes coupon rate or commercial paper's yield to maturity.

Debt Repayment

On 14 February 2023, the company repaid €600 million 0.375% notes.

Outlook for 2023

Depending upon the funding requirements of the Unilever Group, the company will raise funds through long term bonds and short-term money market borrowing instruments.

On behalf of
the Board of Directors

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

NOTES TO THE FINANCIAL STATEMENTS

General

Group affiliation and principal activities

Unilever Finance Netherlands B.V. (the “Company”), having its legal address in Rotterdam, Weena 455, 3013 AL Rotterdam, The Netherlands, is a private limited liability company under Dutch law and is registered as a financial holding under number 81003889 in the Trade Register.

The shares of the Company are held by Unilever PLC, having its legal address in Port Sunlight, Wirral, Merseyside CH62 4ZD, United Kingdom and is a public limited liability company under English law.

The Company is one of the companies of the Unilever Group. The term “Companies of the Unilever Group” (“Group companies”) means companies in which Unilever PLC, based in the United Kingdom, either directly or indirectly, has control either through a majority of the voting rights or the right to exercise a controlling influence or to obtain the majority of the benefits and be exposed to the majority of the risks. The financial information of the Company is incorporated in the consolidated financial statements of Unilever PLC which form part of the Annual Report and Accounts for the year ended 31 December 2021 of Unilever PLC. Unilever PLC, a company incorporated in England and Wales, is the ultimate parent company of the Unilever Group.

The Company's principal activity is to acquire funds by issuing bonds, notes or commercial papers to the public or otherwise and to make such funds available in whatever form to Unilever Finance International AG to finance the Unilever Group.

The Company will use of the exemption from the licensing requirement for banks and finance companies provided in Section 3:2 Dutch Financial Supervision Act. In connection therewith on 28 April 2021 Unilever PLC has given or (as regards future liabilities) will give an unconditional and irrevocable guarantee for all the Company's liabilities resulting from receipt by the Company of the bonds/notes and Unilever PLC ensures that the Company can at any time meet its obligations arising from the bonds/notes/Commercial Papers.

Financial reporting period

These financial statements cover the year 2022, which ended at the balance sheet date of 31 December 2022. The Company does not prepare its own separate cash flow statement as an equivalent cash flow statement is included in the consolidated financial statements of Unilever Group. The Unilever Group consolidated financial statements are available on the website www.unilever.com.

Basis of preparation

The annual accounts are drawn up in accordance with the legal requirements of Part 9, Book 2 of the Netherlands Civil Code and the authoritative statements in the Dutch Accounting standards (DAS) for Annual Reporting in the Netherlands as issued by the Dutch Accounting Standards Board. The Company's financial statements were prepared on **8 May 2023**.

The accompanying accounts have been prepared under the historical cost convention, unless otherwise mentioned, in accordance with generally accepted accounting principles in the Netherlands and in conformity with the provisions of Part 9, Book 2 of the Dutch Civil Code.

The financial statements are presented in EUR. The Company has an EUR functional currency, which reflects the primary economic environment in which the Company operates.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

NOTES TO THE FINANCIAL STATEMENTS

The Company was incorporated as a result of the demerger of Unilever NV on 26 November 2020. Under the demerger, the Company issued one share with a nominal value of 1 EUR and received the euro bonds including the rights, obligations and liabilities in respect of the bonds and all intra-group receivables which resulted from the on-lending of the funds received on the bonds. The assets acquired and liabilities assumed were measured at fair value on initial recognition. The net value of the assets acquired and liabilities assumed was recognised as share premium.

The balance sheet and profit and loss account include reference numbers, matching the corresponding numbers in the notes.

Amendments in revenue recognition principles

The Dutch Accounting Standards Board (DASB) has published amended standards for revenue recognition effective for financial year starting on or after 1 January 2022. It specifies detailed requirements regarding the revenue recognition under Title 9, Book 2 of the Dutch Civil Code (DCC) and the Dutch Accounting Standards. DAS 270 'The profit and loss account' (revenue recognition of goods and services) and DAS 221 'Construction contracts' (revenue recognition of construction contracts). The amendment do not have any impact on the company's financial statements given the nature of the activities.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V. NOTES TO THE FINANCIAL STATEMENTS

1. Accounting policies for the measurement of assets and liabilities and the determination of the result

1.1 Going Concern

The financial statements are prepared on a going concern basis.

1.2 Historical cost

In general, assets and liabilities are stated at the amounts at which they were acquired or incurred. If not specifically stated otherwise, they are recognised at the amounts at which they were acquired or incurred.

1.3 Judgments and estimates

The preparation of financial statements in conformity with the relevant rules requires the use of certain critical accounting estimates and uncertainties. If necessary, for the purposes of providing the insight required under Section 362 (1), Book 2, of the Netherlands Civil Code, the nature of these estimates and judgements, including key related assumptions, is disclosed in the notes to the financial statement items in question.

1.4 Foreign currency translation

The financial statements are prepared in EUR, the functional and presentation currency of the entity. Each entity in the Unilever Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

Transactions in foreign currencies

At initial recognition, transactions denominated in a foreign currency are translated into the functional currency of the Company at the exchange rates at the date of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated at the balance sheet date into the functional currency at the exchange rate applying on that date (year-end rate 2022: 1 EUR= 1.07 USD; year-end rate 2021: 1 EUR= 1.13 USD). Exchange differences resulting from the settlement of monetary items or resulting from the translation of monetary items denominated in foreign currency, are recognised in profit and loss account in the period in which the exchange difference arise.

Non-monetary assets and liabilities denominated in foreign currency that are measured based on historical cost, are translated into the functional currency at the exchange rates at the date of the transactions.

1.5 Financial fixed assets

Loans granted and other receivables are initially recognised at fair value and any direct attributable transaction costs and subsequently carried at amortised cost on the basis of the effective interest method, less impairment losses. The amount which represents the difference between the initially recognised at fair value and nominal value of the loans is amortised on an effective interest rate basis over the life of the loans ("Fair value premium") and taken to the profit and loss account. Impairment losses, if any, are directly recognised in the profit and loss account. Purchases and sales of financial assets that belong to the category loans granted and other receivables are accounted for at the value date.

Gains and losses are taken to the Profit and loss account when the assets are derecognised, as well as through the amortisation process.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

NOTES TO THE FINANCIAL STATEMENTS

1.6 Impairment of assets

The Company assesses at each balance sheet date whether an asset or group of assets is impaired. If there is objective evidence of Impairment, the amount of the impairment loss is determined and recognised in the profit and loss account for all categories of assets.

The amount of impairment losses on financial assets stated at amortised cost are measured as the difference between the carrying amount of the asset and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate (i.e., the effective interest rate computed at initial recognition).

Impairment losses are recognised in the profit and loss account and reflected in an allowance account against loans and receivables. Interest on the impaired asset continues to be recognised by using the asset's original effective interest rate.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss shall be reversed. The reversal shall not result in a carrying amount of the financial asset that exceeds what the amortised cost would have been had the Impairment not been recognised at the date the impairment is reversed. The amount of the reversal shall be recognised in the profit and loss account.

1.7 Bonds and Commercial Papers

Bonds

Bonds are initially recognised at fair value less attributable transaction costs and subsequently recognised at amortised cost, including the corresponding discount or premium amount which represents the difference between initially recognised at fair value and the nominal value of the bonds. The discount or premium is amortised on an effective interest rate basis over the life of the debt and taken to the profit and loss account. Coupon payments are recognised on an accrual basis. Issuance and maturity of bonds are accounted for at the value date.

Commercial Papers

Commercial papers are recognised at fair value less attributable costs and subsequently recognised at amortised cost. The interest which represents the difference between initially recognised at fair value and the nominal value of the commercial paper is accrued and taken to the profit and loss account using the effective interest basis over the period till maturity of commercial papers. Issuance and maturity of commercial paper is accounted for at value date.

1.8 Current receivables

Current receivables are amounts receivable from group companies in less than twelve months.

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash in hand, bank balances, notes and cheques with a maturity of less than twelve months. Cash at banks and in hand are stated at face value. The company has two-way zero balance sweep arrangement with Unilever Finance International AG. This means that on a daily basis the balance is swept and result in a payable and/ or receivable.

1.10 Non-current liabilities

Non-current liabilities are initially recognised at fair value, less directly attributable transaction costs, in the case of financial liabilities not carried at fair value through profit and loss.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

NOTES TO THE FINANCIAL STATEMENTS

After initial measurement, liabilities are carried at amortised cost using the effective interest method. Gains and losses are taken to the Profit and loss account when the liabilities are derecognised, as well as through the amortisation process.

1.11 Shareholder's equity

Financial instruments that are designated as equity instruments by virtue of the economic reality are presented under shareholders' equity. The company's share capital is denominated in EUR.

Amounts contributed by the shareholder of the Company in excess of the nominal share capital, are accounted for as share premium. This also includes additional capital contributions by existing shareholders without the issue of shares or issue of rights to acquire shares of the Company.

1.12 Financial instruments

Financial instruments on the balance sheet include accounts receivable, cash and cash equivalents, derivatives and other financial fixed assets and current or non-current liabilities.

1.13 Financial Income

Interest income is recognised in the profit and loss account on an accrual basis, using the effective interest method. The effective interest rate for the asset concerned is taken into account, provided the income can be measured and the income is probable to be received. Financial income includes amortisation related to the loans to group companies. If the effective interest is negative, it is presented based on economic substance and presented under financial expense.

1.14 Expenses

Expenses are determined with due observance of the aforementioned accounting policies and allocated to the financial year to which they relate. Foreseeable and other obligations as well as potential losses arising before the financial year-end are recognised if they are known before the financial statements are prepared and provided all other conditions for forming provisions are met. Financial services performed by the Company are exempted for VAT. This exemption means the financial services provided by the Company to its customers do not have a VAT charge. As a result of this exemption, the Company cannot deduct the VAT it has paid and economically VAT is therefore a cost to the Company instead of being an exemption.

1.15 Financial expenses

Interest expense is allocated to successive financial reporting periods in proportion to the outstanding principal. Premiums and discounts are treated as annual interest charges so that the effective interest rate, together with the interest payable on the loan, is recognised in the profit and loss account, with the amortised cost of the liabilities being recognised in the balance sheet. Period interest charges and similar charges are recognised in the year in which they fall due. Finance expense includes amortisation related to bonds. If the effective interest is negative, it is presented based on economic substance and presented under financial income.

1.16 Corporate income tax

Corporate income tax comprises the current and deferred corporate income tax payable and deductible for the reporting period. Corporate income tax is recognised in the profit and loss account.

Current tax comprises the expected tax payable or recoverable on the taxable profit or loss for the financial year, calculated using tax rates enacted or substantively enacted at the reporting date, and any adjustments to tax payable in respect of previous years.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

NOTES TO THE FINANCIAL STATEMENTS

If the carrying amount of assets and liabilities for financial reporting purposes differ from their values for tax purposes (tax base), this results in temporary differences.

For taxable temporary differences, a provision for deferred tax liabilities is recognised.

For deductible temporary differences, available tax losses and unused tax credits, a deferred tax asset is recognised, but only to the extent that it is probable that future taxable profits will be available for set-off or compensation. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and deferred tax liabilities are offset in the balance sheet if the company has a legally enforceable right to offset current tax assets against current tax liabilities, insofar as they relate to the same financial year and deferred tax assets relate to income taxes levied by the same tax authority on the same taxable Company, or the same fiscal unity.

The measurement of deferred tax liabilities and deferred tax assets is based on the tax consequences following from the manner in which the Company expects, at the balance sheet date, to realise or settle its assets, provisions, debts and accrued liabilities. Deferred tax assets and liabilities are measured at nominal value.

1.17 Related parties

All legal entities that can be controlled, jointly controlled or significantly influenced by Unilever PLC are considered to be a related party. Also, individuals and entities which can control or significantly influence the Company are considered to be a related party. In addition, statutory directors, other key management of the Company or the ultimate parent company and close relatives are regarded as related parties.

Transactions with related parties are carried out on an arm's length basis. Transactions with related parties are disclosed in the notes, refer to notes 2, 3, 6, 7 and 8.

1.18 Determination of fair value

The fair value of a financial instrument is the amount for which an asset can be sold or a liability settled, involving parties who are well informed regarding the matter, willing to enter into a transaction and are independent from each other.

1.19 Derivatives

Derivatives are held in order to hedge foreign exchange exposure on certain balance sheet items. Derivatives consist of plain vanilla foreign currency forwards and swaps which are carried at fair value with changes being recognised in the income statement. No hedge accounting is applied to these derivatives.

**2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.
NOTES TO THE FINANCIAL STATEMENTS**

Notes to the Financial Statement

2. Financial fixed assets

Loans to Group companies	€'000
Carrying amount at 1 January 2021	11,194,059
Amortisation of fair value premium	(131,765)
Loans reclassified to current receivables	(750,592)
Carrying amount at 31 December 2021	10,311,702
Amortisation of fair value premium	(125,050)
Amortisation of discount and transaction cost	1,515
Loans reclassified to current receivables	(1,606,218)
New Loans	2,628,393
Carrying amount at 31 December 2022	11,210,342

Loans to Group companies

Included in loans to Group Companies is an unamortised loan premium of €580 million (2021: €712 million) and unamortised discount and transaction cost of €(20) million (2021: Nil), which will be amortised over the remaining term of the loans.

The loan premium only relates to the loans transferred from Unilever NV upon the demerger in 2020.

During the year, the company provided additional loans of face value €2,650 million which included discount and transaction cost of €21.6 million.

Loans to Group company represent on lending of proceeds of the corresponding bond. These loans have identical characteristics and present value calculations of corresponding bonds except for the agreed transfer pricing mark-up.

The maturity profiles, fair values and terms applicable to long term debt (as detailed in Note 5) are identical with those for financial assets except for an impact of 4 basis point mark up on the relevant bond coupon rate.

Loans to group companies (including the short-term portion) bear interest between 0.42% and 2.29% (2021: 0.42% and 1.79%). The face value of loans to group companies is €12,250 million (2021: €10,350 million).

The maturity dates of the loans to group companies range from 2023 up to 2034 (2021: 2022 up to 2033). The carrying amounts of the loans to group companies can be split based on the maturity dates as follows:

- Loans maturing within 1 year: €1,606 million (2021: €751 million)
- Loans maturing between 1-5 years: €4,739 million (2021: €4,525 million)
- Loans maturing after 5 years: €6,472 million (2021: €5,787 million)

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

NOTES TO THE FINANCIAL STATEMENTS

No allowance for bad debt has been recognised in the accounts (2021: Nil). As detailed in Note 11, credit risk is judged to be minimal given that on-lending of funds is made to Unilever Finance International AG, which is a wholly owned subsidiary of Unilever PLC with significant size and importance within the Unilever group.

3. Current receivables

	2022 €'000	2021 €'000
Amount receivable from group companies		
• From proceeds of bonds #	1,606,218	750,592
• From proceeds of commercial papers	-	1,319,958
• Other receivables	7,261	3,996
Accrued interest income	99,448	79,295
Total	1,712,927	2,153,841

The fair value of the receivable approximates the book value, given the short-term character of these receivables.

This loan relates to the current portion of the loans as disclosed in note 2 and includes the unamortised portion of fair value premium on the loan amounting to €6 million (2021: €0.6 million).

4. Shareholder's Equity

Issued share capital

The Company's issued and fully paid share capital comprises 1 ordinary shares with a nominal value of €1.

Movement in individual items of equity as follows:

	Issued capital €'000	Share premium* €'000	Other reserves €'000	Unappropria ted Profit / (loss) €'000	Total Equity €'000

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V. NOTES TO THE FINANCIAL STATEMENTS

* Share premium represent the difference between the initially recognised assets and liabilities received from Unilever NV under the demerger.

Appropriation of result of 2021

The financial statements for the reporting year 2021 have been adopted by the General Meeting on 6 May 2022. The General Meeting has adopted the appropriation of result after tax for the reporting year 2021 as proposed by the Board of Management.

Proposal for profit appropriation 2022

The Directors propose to the General Meeting to appropriate the profit after tax for 2022 as follows: Unappropriated profit amounting to €1.3 million to be added to the other reserves.

5. Non-current liabilities

Payable to Bondholders	€'000
Carrying amount at 1 January 2021	11,169,715
Amortisation of fair value premium	(127,605)
Payables reclassified to current liabilities	(750,565)
Carrying amount at 31 December 2021	10,291,545
Amortisation of fair value premium	(121,196)
Amortisation of discount and transaction cost	1,521
Payables reclassified to current liabilities	(1,605,983)
New Bonds	2,628,393
Carrying amount at 31 December 2022	11,194,280

Included in payable to the bond holders is an unamortised bond premium of €564 million (2021: €692 million) and unamortised discount and transaction cost of €(20) million (2021: Nil), which will be amortised over the remaining term of the bonds.

The bond premium only relates to the bonds transferred from Unilever NV upon the demerger in 2020.

During the year, the company raised €2,650 million funds (including discount and transaction cost of €21.6 million) via bond issuance comprising of:

- €650 million maturing in 2031 @1.25%; and €500 million maturing in 2026 @0.75% issued in the month of February 2022
- €850 million maturing in 2034 @2.25%; and €650 million maturing in 2028 @1.75% issued in the month of May 2022.

The non-current liabilities consist of bonds/notes payable to the holders thereof. These are fully and unconditionally guaranteed by Unilever PLC and Unilever United States Inc. The non-current liabilities carry interest rates varying between 0.50% to 2.25% (2021: 0.38% to 1.75%).

Long-term liabilities with a remaining term of less than one year, including repayment commitments for the following year, are recognised under current liabilities.

9. Operating expenses

	2022	2021
	€'000	€'000
Bank charges	43	4
Audit fees	166	145
Total	<u>209</u>	<u>149</u>

10. Taxation

The major components of the tax charge are as follows:

	2022	2021
	€'000	€'000
Tax expense for current financial year	1,415	997
Movement in temporary differences	(1,032)	(876)
Income tax expense/ (benefit)	<u>383</u>	<u>120</u>

Temporary differences arising from the difference in valuations of financial fixed assets and related expenses.

The numerical reconciliation between the applicable and the effective tax rate is as follows:

	2022	2021
	€'000	€'000
Result before tax	1,652	(71)
Income tax using the applicable tax rate in the Netherlands	383	120
Tax expense / (benefit)	<u>383</u>	<u>120</u>

The nominal corporation tax rate in the Netherlands is 25.8%, with a step up of 15% on the profit up to € 395 thousand. The effective tax rate in 2022 of 23% (2021: 170%) is driven by the overall mix in current and deferred tax.

The provision for deferred tax liabilities comprises the tax effect of the taxable temporary differences between the valuation principles for financial reporting purposes and for tax purposes.

The Company has recognised a provision for deferred taxes for differences between valuation principles for financial reporting purposes and for tax purposes related to the loans to group companies and bonds upon the demerger in 2020.

**2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.
NOTES TO THE FINANCIAL STATEMENTS**

Provisions: Deferred Tax

	2022	2021
	€'000	€'000
Deferred tax liabilities on loans to group companies	(160,460)	(195,183)
Deferred tax assets on bonds	156,249	189,940
Total Provisions	(4,211)	(5,243)

11. Treasury and Risk Management

The Company's activities are exposed to a variety of financial risks, including currency risks, interest rate risk, liquidity risk and credit risk. As to these risks, Unilever Finance Netherlands B.V. has a conservative approach. A financial risk management framework is in place in the form of a Treasury policy. This policy provides guidance over all Treasury and finance related matters.

In accordance with its Treasury policy, the Company actively monitors and manages financial risks as follows:

- *Currency risk:* The Company holds financial Instruments denominated in foreign currencies and is therefore exposed to foreign currency risk. These instruments comprise of commercial paper borrowing and related loans to Unilever Finance International AG. This risk is minimised due to back-to-back nature of lending arrangements. Any residue exposure from back-to-back lending would generally be hedged through foreign exchange forward contracts. At 31st December 2022 the currency exposure to the company from holding financial instruments was Nil (2021: Nil).

The currency exposure based on the nominal amounts (EUR '000) as of 31 December 2022 is presented below:

	Assets EUR	Liabilities EUR	Hedged portion EUR	Exposure EUR
USD	0	0	0	0
Total	0	0	0	0

The currency exposure based on the nominal amounts (EUR '000) as of 31 December 2021 is presented below:

	Assets EUR	Liabilities EUR	Hedged portion EUR	Exposure EUR
USD	1,320,511	(1,320,383)	(128)	0
Total	1,320,511	(1,320,383)	(128)	0

- *Interest rate risk:* The Company has fixed interest rate on bonds and commercial papers. These bonds and commercial papers are on lent to Unilever Finance International AG at fixed interest

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

NOTES TO THE FINANCIAL STATEMENTS

rate. Hence the Company is not exposed to the variability in cashflows as a result of interest rates.

- *Liquidity risk:* The Company is not significantly exposed in relation to its liquidity. The Company on-lends funds generated from issuance of bond and commercial papers to Unilever Finance International AG with complete alignment of its assets and liabilities and corresponding payment schedule which results in a limited cashflow risk.

Unilever PLC and Unilever United States Inc have fully and unconditionally guaranteed on (senior unsecured basis) the due and punctual payment of the principal of and any premium and interest on the debt securities issued by the Company to the bond/note holders. Bonds and USCP issuance under these programmes by the company is guaranteed on joint and several basis by Unilever PLC and Unilever United States Inc. ECP issuance by the company is guaranteed by Unilever PLC. There is no explicit guarantee on loans with Unilever Finance International AG. As a result, the liquidity risk is considered to be minimal.

- *Credit risk:* The Company on-lends funds generated from issuance of bonds and commercial papers to Unilever Finance International AG, which is a wholly owned subsidiary of Unilever PLC with significant size and importance within the Unilever group and exposes the Company to a significant concentration of credit risk. Unilever Finance International AG has a long and proven track record of being a reliable debtor and its suitability for future credit is monitored on an ongoing basis. Unilever Finance International AG is not separately rated by rating agencies. The current long term credit rating for the Unilever Group by Moody's is A1 and S&P is A+.

12. Related parties

Transactions with related parties are assumed when a relationship exists between the Company and a natural person or entity that is affiliated with the Company. This includes, amongst others, the relationship between the Company and subsidiaries of Unilever PLC, shareholders, directors and key management personnel. Transactions are transfers of resources, services or obligations, regardless of whether anything has been charged.

Transactions with related parties are disclosed in the notes so far as they are not transacted under normal market conditions. The nature, extent and other information is disclosed if this is required to provide the true and fair view. The related party transactions are disclosed in notes 2, 3, 6, 7 and 8 for the related party transactions.

13. Employees and salary costs

The Company employed no personnel during the period ended 31 December 2022 and therefore incurred no salary or related costs of employment. The board is not directly compensated by the Company (nor are costs allocated from the group) as they do not spend significant time on managing the entity.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V. NOTES TO THE FINANCIAL STATEMENTS

14. Audit fees

The following fees were charged by KPMG Accountants N.V. to the Company, as referred to in Section 2:382a (1) and (2) of the Dutch Civil Code.

	2022	2021
	€	€
Audit of the financial statements	166,477	144,872
Other audit engagements	-	18,670
Tax-related advisory services	-	-
Other non-audit services	-	-
Total	166,477	163,542

The fees mentioned in the table for the audit of the financial statements of the period ended relate to the total audit fees for the audit of the financial statements of the said period, irrespective of whether the activities have been performed during the financial period ended. The amounts presented include VAT.

15. Subsequent events

The Board have evaluated all events and transactions subsequent to 1 January 2023 through **8 May 2023**, the date these financial statements were issued. Following events or transactions were identified that require recognition or disclosure in these financial statements.

Debt Issuance:

On 20 February 2023, the company issued €500 million 3.25% notes maturing in 2031 and €500 million 3.5% notes maturing in 2035.

During Q1, 2023 company has issued and repaid commercial papers in normal course of business. Net outstanding commercial papers as on 31st March 2023 is € 295 million.

The proceeds from these issuances were on lent to Unilever Finance International AG on identical terms except for a 4-basis point mark up on the relevant notes coupon rate or commercial paper's yield to maturity.

Debt Repayment:

On 14 February 2023, the company repaid €600 million 0.375% notes.

16. Proposed appropriation of the result for 2022

If the general meeting of shareholders accepts this proposal, the profit of € 1.3 million, will be added to the other reserves.

Independent auditor's report

The next pages contain the independent auditor's report pertaining to the annual report of the Company for 2022.

Independent auditor's report

To: the General Meeting of Shareholders and the Audit Committee of Unilever Finance Netherlands B.V.

Report on the audit of the financial statements 2022 included in the Annual Report

Our opinion

In our opinion the accompanying financial statements give a true and fair view of the financial position of Unilever Finance Netherlands B.V. as at 31 December 2022 and of its result for the year 2022 in accordance with Part 9 of Book 2 of the Dutch Civil Code.

What we have audited

We have audited the financial statements 2022 of Unilever Finance Netherlands B.V. (the 'Company') based in Rotterdam.

The financial statements comprise:

- 1 the balance sheet as at 31 December 2022;
- 2 the profit and loss account for 2022; and
- 3 the notes to the financial statements comprising a summary of the accounting policies and other explanatory information.

Basis for our opinion

We conducted our audit in accordance with Dutch law, including the Dutch Standards on Auditing. Our responsibilities under those standards are further described in the 'Our responsibilities for the audit of the financial statements' section of our report.

We are independent of Unilever Finance Netherlands B.V. in accordance with the 'Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten' (ViO, Code of Ethics for Professional Accountants, a regulation with respect to independence) and other relevant independence regulations in the Netherlands. Furthermore, we have complied with the 'Verordening gedrags- en beroepsregels accountants' (VGBA, Dutch Code of Ethics).

We designed our audit procedures in the context of our audit of the financial statements as a whole and in forming our opinion thereon. The information in respect of going concern, fraud and non-compliance with laws and regulations, climate and the key audit matter was addressed in this context, and we do not provide a separate opinion or conclusion on these matters.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KPMG Accountants N.V., a Dutch limited liability company registered with the trade register in the Netherlands under number 33263683, is a member firm of the global organisation of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee.

0002387575 / 23W00187883AVN

Information in support of our opinion

Summary

Materiality

- Materiality of EUR 100 million
- 0.8% of Total assets

Fraud/Noclar, Going concern and Climate related risks

- Fraud & Non-compliance with laws and regulations (Noclar) related risks: In our audit we incorporated the presumed fraud risk of management override of controls laid down in the auditing standards.
- Going concern related risks: No going concern risks identified.
- Climate related risks: We have considered the impact of climate-related risks on the financial statements and described our approach in the section 'Audit response to climaterelated risks'.

Key audit matter

- Valuation of loans to Group companies

Opinion

Unqualified

Materiality

Based on our professional judgement, we determined the materiality for the financial statements as a whole at EUR 100 million (2021: EUR 100 million). The materiality is determined with reference to total assets (0.8%). We have also taken into account misstatements and/or possible misstatements that, in our opinion, are material for the users of the financial statements for qualitative reasons. We consider total assets as the most appropriate benchmark because the attention of the users of the financial statements tends to be focused on total assets as the entity is a financing company.

Based on our professional judgement, we have applied a lower materiality of EUR 1 million for the interest expense on bonds, with reference to the total interest expense on bonds.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

We agreed with the Audit Committee that misstatements identified during our audit in excess of EUR 5 million would be reported to them, as well as smaller misstatements that in our view must be reported on qualitative grounds.

Audit response to the risk of fraud and non-compliance with laws and regulations

In the Directors' report, the Board of Directors describes the outcomes of its procedures in respect of the risk of fraud and non-compliance with laws and regulations.

As part of our audit, we have gained insights into the Company and its business environment in relation to fraud and non-compliance. Our procedures included, among other things, assessing the code of conduct as applied within the Company. Furthermore, we performed relevant inquiries with the Board of Directors and the Audit Committee. In addition, we performed procedures to obtain an understanding of the legal and regulatory frameworks that are applicable to the Company and did not identify areas that likely have a material effect on the financial statements.

We evaluated the fraud and non-compliance risk factors to consider whether those factors indicate a risk of material misstatement in the financial statements.

Further, we assessed the presumed fraud risk on revenue recognition as irrelevant. Given the nature of the activities of the Company, the perceived pressure and opportunity to commit fraud is limited.

Based on the above and on the auditing standards, we identified the following presumed fraud risk laid down in the auditing standards that is relevant to our audit, and responded as follows:

Management override of controls (a presumed risk)

Risk

Management is in a unique position to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

Responses

- We evaluated the design and the implementation of internal controls that mitigate fraud such as processes related to journal entries.
- We performed a data analysis of high-risk journal entries related to cash transactions that exceed EUR 1 million which do not relate to the payment of interest expense. Where we identified instances of unexpected journal entries or other risks through our data analytics, we performed additional audit procedures to address each identified risk, including testing of transactions back to source information.
- We incorporated elements of unpredictability in our audit, we randomly selected certain cash transactions and reconciled the transactions back to source information.

Our evaluation of procedures performed related to fraud and non-compliance with laws and regulations did not result in a key audit matter. We communicated our risk assessment, audit responses and results to the Board of Directors and Audit Committee.

Our audit procedures did not reveal indications and/or reasonable suspicion of fraud and non-compliance that are considered material for our audit.

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

Audit response to going concern

The Board of Directors has performed its going concern assessment and has not identified any going concern risks. To assess the Board of Directors' assessment, we have performed amongst others the following procedures:

- We considered whether the assessment of the Board of Directors of the going concern risk includes all relevant information of which we are aware as a result of our audit.
- We analysed the company's financial position as at year-end and compared it to the previous financial year in terms of indicators that could identify a going concern risk.

We considered whether the outcome of our audit procedures to assess the ability of Unilever Finance International AG to fulfill its obligations to the Company indicate a going concern risk.

The outcome of our risk assessment procedures did not give reason to perform additional audit procedures on management's going concern assessment.

Audit response to climate-related risks

Management prepared the financial statements, including considering whether the implications from climate-related risks have been appropriately accounted for and disclosed. As part of our audit we performed a risk assessment of the impact of climate-related risk in respect of the valuation of the loans to group companies. In doing this we obtained an understanding management's processes over the identification of indicators for impairment.

Based on the procedures performed, we found climate related risks have no material impact on the current financial statements under the requirements of Dutch GAAP and do not result in a key audit matter.

Our key audit matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements. We have communicated the key audit matter to the Audit Committee. The key audit matter is not a comprehensive reflection of all matters discussed.

Valuation of loans to Group companies

Description

As disclosed in notes 2 and 3 of the financial statements, the Company has provided a significant amount of loans to Unilever Finance International AG which are valued at amortised cost less accumulated impairment losses. As at 31 December 2022, the carrying value of these loans amounted to EUR 12.8 billion.

The Company is dependent on the performance of Unilever Finance International AG for repayment of these loans to the Company and a risk exists with regard to the timely identification of indicators for impairment. Given the pervasive impact of the valuation of these loans as at 31 December 2022 to Group companies on the financial statements of the Company as a whole, we consider the valuation of these loans to Group companies to be a key audit matter.

Our response

The following are the primary procedures we performed to address this risk:

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

- We obtained an understanding of management's processes and controls implemented over the identification of indicators for impairment.
- We obtained and evaluated management's assessment whether there were indicators for impairment of the loans to Group companies.
- We analysed the financial performance and financial position of Unilever Finance International AG to determine whether Unilever Finance International AG has the ability to fulfil the contractual obligations to Unilever Finance Netherlands B.V.

Our observation

The results of our testing were satisfactory and we considered the valuation of the loans to Group companies to be acceptable.

Report on the other information included in the Annual Report

In addition to the financial statements and our auditor's report thereon, the Annual Report contains other information.

Based on the following procedures performed, we conclude that the other information:

- is consistent with the financial statements and does not contain material misstatements; and
- contains the information as required by Part 9 of Book 2 of the Dutch Civil Code for the Directors' Report and Other information.

We have read the other information. Based on our knowledge and understanding obtained through our audit of the financial statements or otherwise, we have considered whether the other information contains material misstatements.

By performing these procedures, we comply with the requirements of Part 9 of Book 2 of the Dutch Civil Code and the Dutch Standard 720. The scope of the procedures performed is less than the scope of those performed in our audit of the financial statements.

The Board of Directors is responsible for the preparation of the other information, including the information as required by Part 9 of Book 2 of the Dutch Civil Code.

Report on other legal and regulatory requirements

Engagement

We were engaged by the General Meeting of Shareholders as auditor of Unilever Finance Netherlands B.V. on 23 March 2021 as of the audit for the year 2020 and have operated as statutory auditor ever since that financial year.

No prohibited non-audit services

We have not provided prohibited non-audit services as referred to in Article 5(1) of the EU Regulation on specific requirements regarding statutory audits of public-interest entities.

Description of responsibilities regarding the financial statements

2022 ANNUAL REPORT OF UNILEVER FINANCE NETHERLANDS B.V.

Responsibilities of Board of Directors and the Audit Committee for the financial statements

The Board of Directors is responsible for the preparation and fair presentation of the financial statements in accordance with Part 9 of Book 2 of the Dutch Civil Code. Furthermore, the Board of Directors is responsible for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error. In that respect Board of Directors, under supervision of the Audit Committee, is responsible for the prevention and detection of fraud and non-compliance with laws and regulations, including determining measures to resolve the consequences of it and to prevent recurrence.

As part of the preparation of the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern. Based on the financial reporting frameworks mentioned, the Board of Directors should prepare the financial statements using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors should disclose events and circumstances that may cast significant doubt on the company's ability to continue as a going concern in the financial statements.

The Audit Committee is responsible for overseeing the Company's financial reporting process.

Our responsibilities for the audit of the financial statements

Our objective is to plan and perform the audit engagement in a manner that allows us to obtain sufficient and appropriate audit evidence for our opinion.

Our audit has been performed with a high, but not absolute, level of assurance, which means we may not detect all material errors and fraud during our audit.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. The materiality affects the nature, timing and extent of our audit procedures and the evaluation of the effect of identified misstatements on our opinion.

A further description of our responsibilities for the audit of the financial statements is located at the website of de 'Koninklijke Nederlandse Beroepsorganisatie van Accountants' (NBA, Royal Netherlands Institute of Chartered Accountants) at [eng_oob_01.pdf \(nba.nl\)](#) / [eng_beursgenoteerd_01.pdf \(nba.nl\)](#). This description forms part of our auditor's report.
