Nils Andersen
Chairman

Dear Shareholder,

I write to provide you with notice of the annual general meeting of Unilever PLC (the 'AGM') to be held at 2.30pm BST on Wednesday 4 May 2022 at the Queen Elizabeth II Centre in Westminster, London SW1P 3EE.

At the AGM, Alan Jope, the Chief Executive Officer, will update you on the progress of the business in 2021. Following this presentation, we will have a Q&A session before we conduct the formal business of the Meeting.

Both Laura Cha and John Rishton will be retiring at the conclusion of this year's AGM upon reaching a tenure of nine years. On behalf of the Board, I would like to thank them both for their outstanding and valued contribution to Unilever. In anticipation of these retirements, we felt it prudent to appoint two Non-Executive Directors in 2021 and were delighted that both Adrian Hennah and Ruby Lu agreed to join the Board on 1 November 2021. We are therefore asking you to elect Adrian Hennah and Ruby Lu for the first time at this AGM. All other current Directors, with the exception of Laura Cha and John Rishton, are offering themselves for re-election at the AGM.

The resolutions cover ordinary course business for an AGM. Resolutions 1 to 13 cover consideration of the Annual Report and Accounts 2021, approval of the Directors' Remuneration Report 2021 and the re-election and election of directors. Resolutions 14 to 21 are similar to those which shareholders have passed in previous years, covering issues such as authorities for the allotment and repurchase of shares and the re-appointment of the auditor. Full explanations of all proposed resolutions are set out in the Explanatory Notes to the Resolutions.

Your Board believes that all the resolutions set out in the Notice of Meeting are in the best interests of the Company and its shareholders. Accordingly, the Directors unanimously recommend that you vote in favour of the resolutions, as they intend to do themselves in respect of their own shares in the Company.

Unilever PLC

Registered in England and Wales No 41424. Registered office: Port Sunlight, Wirral, Merseyside CH62 4ZD, United Kingdom

Unilever understands that certain of our shareholders may be unable to attend the AGM in person. We will therefore be streaming a live webcast of the AGM (including the Q&A session) and details on how shareholders can access this webcast are provided on pages 9 and 10.

Shareholders are encouraged to submit questions for the Q&A session in advance by emailing shareholder.services@unilever.com before 1.00pm BST on 29 April 2022. After responding to these pre-submitted questions, shareholders who attend the AGM in person will be able to ask questions. Of course, you are also invited to write to me at any time should you wish. Alternatively, you may be able to find the answer to your question on our website at www.unilever.com.

Any updates relating to the AGM will be included on Unilever's website (www.unilever.com/agm).

Enclosed with this letter you will find the formal Notice of Meeting being convened, together with the Explanatory Notes to the business of the meeting. Our 2021 year-end documents are available on our website at www.unilever.com/ara.

You can register your proxy vote either using our electronic voting facility via www.unilever.com/agm or by completing and returning the proxy form, in accordance with the instructions set out on the back of your proxy form. Institutional investors are able to cast their votes using CREST electronic proxy voting.

Holders of shares in the Company held through Euroclear Nederland who wish to participate in the voting process can render their voting instructions electronically via www.abnamro.com/evoting.

As usual at the AGM, all resolutions will be put to a poll. This will ensure an exact and definitive result.

The results of the AGM will be announced on the Unilever website www.unilever.com/agm as soon as possible after being released to the London Stock Exchange.

All your votes are important to us and I would urge you to complete and return your votes by proxy in good time, and in any event no later than 2.30pm BST on 2 May 2022.

Shareholders will have received the Unilever Annual Report and Accounts 2021, or will have been notified of its availability on our website at www.unilever.com/ara. Unilever PLC is encouraging all shareholders to receive shareholder communication and payments electronically as part of a commitment to reducing its environmental footprint. Explanatory notes to the resolutions

Resolution 1

Report and Accounts for the year ended 31 December 2021

The Directors must lay the Company's Accounts, the Directors' Report, the Auditor's Report and the Strategic Report before the shareholders at a general meeting. This is a legal requirement after the Directors have approved the Accounts, the Directors' Report and the Strategic Report, and the Auditor has prepared its Report.

Resolution 2

Directors' Remuneration Report

Resolution 2 is an advisory vote to approve the Directors' Remuneration Report for the year ended 31 December 2021, which is set out on pages 84 to 104 of the Unilever Annual Report and Accounts 2021.

The Directors' Remuneration Report has been prepared in accordance with the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (as amended) and approved by the Directors. Shareholders must, under Section 439 of the Companies Act 2006, be given the opportunity to approve the Directors' Remuneration Report. In accordance with these requirements, this is an advisory vote.

Resolutions 3 to 13

Re-election and election of Executive and Non-Executive Directors

All Executive Directors and Non-Executive Directors retire each year with such retirement to become effective at the conclusion of the Annual General Meeting of the Company.

In deciding whether to nominate a Director, the Board takes into consideration the outcomes of the Chairman's discussions with each Director on individual performance, the evaluation of the Board and its Committees and the continued good performance of individual Directors. Non-Executive Directors normally serve for a period of up to nine years.

The evaluation of the Board conducted in respect of 2021 considered that all Directors being proposed for re-election or election were effective in their roles and were committed to making available the appropriate time for Board meetings and other duties. Each Director also continues to demonstrate his/her broad and relevant experience, commitment to his/her role and international outlook. Further information about the evaluation can be found on pages 5 and 69 of the Unilever Annual Report and Accounts 2021. An overview of the skills and experience of the Non-Executive Directors and the biographical details of each Director proposed for re-election and election can be found on pages 72 and 73 of the Unilever Annual Report and Accounts 2021.

Therefore, the Board of Directors, following the recommendations made by the Nominating and Corporate Governance Committee, proposes to re-elect and elect the nominated Executive and Non-Executive Directors.

Resolution 14

Reappointment of Auditor

At each meeting at which Accounts are laid before the members, the Company is required to appoint an Auditor or Auditors to serve until the next such meeting.

Resolution 15

Remuneration of Auditor

This resolution gives authority to the Directors to determine the Auditor's remuneration, which is then disclosed in the next set of Accounts of the Company.

Resolution 16

Political donations and expenditure

Part 14 of the Companies Act 2006 imposes restrictions on companies making political donations to: (a) political parties; (b) other political organisations; and (c) independent election candidates and on incurring political expenditure (in each case, as defined in the Companies Act 2006) without shareholders' consent. It is the policy of the Company not to make such political donations or to incur political expenditure (within the ordinary meaning of those words) and the Directors have no intention of changing that policy. However, as the definitions used in the Companies Act 2006 are broad, it is possible that normal business activities, which might not be thought to be political donations or expenditure in the usual sense, could be caught. On that basis, the authority is being sought purely as a precaution.

Resolution 17

Directors' authorities to allot shares

Renewal of this authority is sought at the Annual General Meeting each year. Section 551 of the Companies Act 2006 provides that the Directors may not issue new shares without shareholder approval. The purpose of this resolution, therefore, is to give the Directors the authority to issue new shares, limited to a maximum of £26,559,400 in new shares at their nominal value (representing 854,000,000 ordinary shares). At 2 March 2022, being the latest practicable date prior to publication of the Notice of Meeting, this represented approximately one-third of the Company's issued ordinary share capital (excluding treasury shares and ordinary shares (including ordinary shares represented by Unilever PLC ADRs) held by or on behalf of companies in the Unilever Group).

The authority sought under this resolution will expire at the earlier of the conclusion of next year's Annual General Meeting or the close of business on 30 June 2023, being the last date by which the Company must hold an Annual General Meeting in 2023.

The Directors have no present intention of exercising the authority sought under this resolution, save that the Company may issue new shares for the purposes of satisfying awards under employee share schemes.

As at 2 March 2022, being the latest practicable date prior to publication of the Notice of Meeting, the Company held 62,976,145 ordinary shares in treasury. As at 2 March 2022, 3,644,035 ordinary shares (including ordinary shares represented by Unilever PLC ADSs) were held by or on behalf of companies in the Unilever Group. The voting rights attaching to those ordinary shares are not exercisable. Therefore, as at 2 March 2022 and excluding those ordinary shares (including ordinary shares represented by Unilever PLC ADSs) held by or on behalf of companies in the Unilever Group, the total number of ordinary shares with exercisable voting rights is 2,562,623,592.

Resolutions 18 and 19

Disapplication of pre-emption rights

Under the Companies Act 2006, a company is generally not permitted to allot shares for cash without first offering those shares: (i) to holders of ordinary shares in proportion to their existing holdings; and (ii) in accordance with a detailed set of procedural requirements. These restrictions may be disapplied in whole or in part provided that shareholder approval is obtained by special resolution, as described below.

In these explanatory notes to Resolutions 18 and 19, reference to an allotment of shares includes allotments of other types of equity securities as well as sales of treasury shares.

Explanatory notes to the resolutions continued

Resolution 18: disapplication for pre-emptive offers and limited non pre-emptive offers

Part (a) of Resolution 18 seeks shareholder authority for the Directors to allot a limited number of shares for cash without regard to the procedural requirements noted above, provided that the shares are first offered to holders of ordinary shares in proportion to their existing holdings. This authority will provide Directors with the flexibility, in connection with such an offer, to make such arrangements as they deem appropriate to deal with relevant legal, regulatory or practical issues, for example, in relation to fractional entitlements.

Part (b) of Resolution 18 seeks shareholder authority for the Directors to allot a limited number of shares for cash, without first offering those shares to holders of ordinary shares in proportion to existing holdings. The aggregate nominal value of shares that may be allotted pursuant to part (b) is £3,984,879. This amount is equivalent to 5% of the total issued ordinary share capital of the Company (excluding treasury shares and ordinary shares (including ordinary shares represented by Unilever PLC ADSs) held by or on behalf of companies in the Unilever Group), as at 2 March 2022, being the latest practicable date prior to publication of the Notice of Meeting.

As at 2 March 2022, being the latest practicable date prior to publication of the Notice of Meeting, the Company held 62,976,145 ordinary shares in treasury. As at 2 March 2022, 3,644,035 ordinary shares (including ordinary shares represented by Unilever PLC ADSs) were held by or on behalf of companies in the Unilever Group. The voting rights attaching to those ordinary shares are not exercisable. Therefore, as at 2 March 2022 and excluding those ordinary shares (including ordinary shares represented by Unilever PLC ADSs) held by or on behalf of companies in the Unilever Group, the total number of ordinary shares with exercisable voting rights is 2,562,623,592.

The Directors intend to adhere to the provisions of the Pre-emption Group's Statement of Principles and not to allot shares for cash pursuant to part (b) of Resolution 18 in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company, exclusive of treasury shares, within a rolling three-year period, other than:

- i with prior consultation with shareholders; or
- ii in connection with an acquisition or specified capital investment (as described below) which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

Resolution 19: disapplication for limited non pre-emptive offers in connection with acquisitions and specified capital investments

The purpose of Resolution 19 is to provide Directors with an additional authority to that sought under part (b) of Resolution 18, for use in the limited circumstances described below.

Resolution 19 seeks shareholder authority for the Directors to allot an additional, limited number of shares for cash, without first offering those shares to holders of ordinary shares in proportion to existing holdings. However, in accordance with the Pre-emption Group's Statement of Principles, any such allotment may only be made in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

For these purposes, a 'specified capital investment' means one or more specific capital investment related uses for the proceeds of an allotment of shares, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is

made available to shareholders to enable them to reach an assessment of the potential return.

The aggregate nominal value of shares that may be allotted pursuant to Resolution 19 is £3,984,879. This amount is equivalent to 5% of the total issued ordinary share capital of the Company (excluding treasury shares and ordinary shares (including ordinary shares represented by Unilever PLC ADSs) held by or on behalf of companies in the Unilever Group), as at 2 March 2022 (being the latest practicable date prior to publication of the Notice of Meeting) and is in addition to an equivalent number of shares which may be allotted pursuant to part (b) of Resolution 18. If the authority sought in Resolution 19 is used, the Company will publish details of such use in its next annual report. As at 2 March 2022, the Company held 62,976,145 ordinary shares in treasury.

The Directors have no current intention of exercising the authorities sought in Resolutions 18 and 19 but consider that they are appropriate in order to allow the Company the flexibility to finance business opportunities without the need to comply with the strict requirements of the Companies Act 2006. The Directors will only exercise such authorities where they consider that doing so is in the best interests of the Company.

The authorities sought under Resolutions 18 and 19 will expire at the earlier of the conclusion of next year's Annual General Meeting or the close of business on 30 June 2023, being the last date by which the Company must hold an Annual General Meeting in 2023.

Resolution 20

Company's authority to purchase its own shares

Renewal of this authority is also sought at the Annual General Meeting each year. The Directors believe that it is advantageous for the Company to have the flexibility to purchase its own shares, and this resolution provides the authority from shareholders to do so.

The resolution specifies the maximum number of shares which may be acquired which at 2 March 2022 (being the latest practicable date prior to the publication of this Notice of Meeting) represented just under 10% of the Company's issued ordinary share capital and the maximum and minimum prices at which they may be bought. As at 2 March 2022, the Company held 62,976,145 ordinary shares in treasury. As at 2 March 2022, 3,644,035 ordinary shares (including ordinary shares represented by Unilever PLC ADSs) were held by or on behalf of companies in the Unilever Group. The voting rights attaching to those ordinary shares are not exercisable. Therefore, as at 2 March 2022 and excluding those ordinary shares (including ordinary shares represented by Unilever PLC ADSs) held by or on behalf of companies in the Unilever Group, the total number of ordinary shares with exercisable voting rights in the Company is 2,562,623,592.

The purchase of shares by the Company under this authority would be carried out by a purchase in the market and should not be confused with any share dealing facilities which may be offered to shareholders by the Company from time to time.

The Company would consider holding any of its own shares that it purchases pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to sell or transfer treasury shares quickly and cost-effectively, including for the purposes of meeting obligations under employees' share schemes, and would provide the Company with additional flexibility in the management of its capital base. The authority sought under this resolution will expire at the earlier of the conclusion of next year's Annual General Meeting or the close of business on 30 June 2023, being the last date by which the Company must hold an Annual General Meeting in 2023.

Any shares purchased would be held as 'treasury shares', in which case they could be held in the name of the Company or another Unilever Group company pending their use to meet obligations under an employee share scheme or resale. Shares

Explanatory notes to the resolutions continued

purchased and not otherwise so used may also be cancelled at the discretion of the Company.

Resolution 21

Notice period for General Meetings

This resolution seeks the approval of shareholders (as required by the Companies (Shareholders' Rights) Regulations 2009 (the 'Shareholders' Rights Regulations')) to replace a similar authority granted to the Directors at the 2021 Annual General Meeting to allow the Company to call general meetings (other than annual general meetings) on 14 clear days' notice. The Company does not intend to use this authority

routinely. The Company envisions that this authority would be used only in limited circumstances for time-sensitive matters where a shorter notice period would be to the advantage of shareholders as a whole. The Company would also need to meet the requirements for electronic voting in the Shareholders' Rights Regulations before it could then call a general meeting on 14 clear days' notice.

The authority sought under this resolution will expire at the earlier of the conclusion of next year's Annual General Meeting or the close of business on 30 June 2023, being the last date by which the Company must hold an Annual General Meeting in 2023.

It is necessary for your admission to the meeting. If you do not bring this form or email with you, then proof of identification will be required for you to gain admittance to the AGM.
2. A shareholder who is unable or does not wish to attend the AGM is entitled to appoint one or more Proxies to exercise all or any of his/her rights to attend and to speak and vote on his/her behalf at the meeting. A Proxy need not be a shareholder. A Proxy Form which may be used to make such appointment and give Proxy instructions accompanies this Notice of Meeting. If you do not have a Proxy Form and believe that you should have one, or if you require additional forms, please contact Computershare Investor Services PLC on 0370 600 3977. You can only appoint a Proxy using the procedures set out in these notes and the notes to the Proxy Form.
3. A shareholder may appoint more than one Proxy in relation to the AGM, provided that each Proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. To do this, that shareholder must complete a separate Proxy Form for each Proxy. Shareholders can copy their original Proxy Form for this purpose. A proxy form is included with this Notice of AGM and additional Proxy Forms can also be obtained from Computershare Investor Services PLC on 0370 600 3977.

A shareholder appointing more than one Proxy should indicate the number of shares for which each Proxy is authorised to act on his or her behalf and place an 'X' in the box provided on the Proxy Form to confirm the instruction is one of a multiple.
4. To be valid any Proxy Form must be received by hand or by post at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, no later than 2.30pm BST on 2 May 2022.
5. A shareholder can also submit his or her vote or, in accordance with Section 333A of the Companies Act 2006, appoint a Proxy electronically, by logging on to www.unilever.com/aggm, clicking on 'AGM and Voting' and selecting the electronic voting option. To do this, a shareholder will need the Shareholder Reference Number (SRN), Control Number and five-digit PIN shown on the front of the Proxy Form. Electronic Proxy appointments must be received, in accordance with the instructions on the website, by no later than 2.30pm BST on 2 May 2022. Please note that an electronic communication in respect of the appointment of a Proxy which contains a computer virus may not be accepted. The Company will try to inform the shareholder in question of a rejected communication and will try to ensure that its outgoing electronic communications are, as far as reasonably practicable, virus free.
6. In the case of a shareholder which is a company, the Proxy Form must be executed under its common seal or be signed on its behalf by an attorney or officer duly authorised. All signatories must state their capacity (eg director, secretary).
7. Any power of attorney or any other authority under which the Proxy Form is signed (or a copy of such authority certified by a notary) must be included with the Proxy Form.
8. A 'Vote withheld' is not a vote in law, which means that the vote will not be counted in the proportion of votes 'For' and 'Against' the resolutions. A shareholder who does not give any voting instructions in relation to the resolutions should note that his/her Proxy will have authority to vote or to withhold a vote on the resolution as he/she thinks fit. A Proxy will also have authority to vote or to withhold a vote on any other business (including amendments to the resolutions) which properly comes before the AGM as he/she thinks fit.
9. CREST members who wish to appoint a Proxy or Proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a Proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with the specifications of Euroclear UK and Ireland Limited (Euroclear), and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a Proxy or is an amendment to the instruction given to a previously appointed Proxy, must, in order to be valid, be transmitted so as to be received by the Company's agent (ID number 3RA50) by the latest time for receipt of Proxy appointments specified in this Notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to Proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In connection with this, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timing.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
13. Holders of shares in the Company held through Euroclear Nederland who wish to attend the meeting in person can register themselves via www.abnamro.com/evoting. Holders of shares who wish to participate in the voting process can render their voting instructions electronically via www.abnamro.com/evoting. Holders of shares will be asked to identify themselves at the meeting using a valid passport, identity card or driving licence.

Notes to the Notice of Meeting 2022 continued

14. Only one holder of shares may vote by Proxy. In the case of joint holders, where more than one of the joint holders purports to appoint a Proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
15. If two or more valid but differing appointments of a Proxy are received in respect of the same share for use at the same meeting, the one which is last received (regardless of its date or the date of its signature) shall be treated as replacing and revoking the others as regards that share; if the Company is unable to determine which was last received, none of them shall be treated as valid in respect of that share.
16. Any person to whom this Notice of Meeting is sent who is a person nominated under Section 146 of the Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a Proxy for the AGM. If a Nominated Person has no such Proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of Proxies in paragraphs 2 and 3 above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.
17. The Company specifies that only those shareholders registered in the register of members of the Company at close of business on 2 May 2022 shall be entitled to vote at the AGM in respect of the number of shares registered in their name at that time. Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the AGM. If the AGM is adjourned, only shareholders entered on the Company's register of members not later than 48 hours before the time fixed for the adjourned meeting shall be entitled and vote at the meeting.
18. Voting on the resolutions will be conducted by way of a poll. This will ensure an exact and definitive result.
19. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.
20. Under Section 527 of the Companies Act 2006 shareholders meeting the threshold requirements set out in that Section have the right to require the Company to publish on a website a statement setting out any matter relating to:

 - b any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006.
21. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. 22. Any shareholder attending a meeting of the Company has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:
 - a to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
 - b the answer has already been given on a website in the form of an answer to a question; or
 - c it is undesirable in the interests of the Company or the good order of the meeting that the questions be answered.Shareholders are encouraged to submit questions for the Q&A session in advance of the AGM by emailing shareholder.services@unilever.com before 1.00pm BST on 29 April 2022.
